FYI. Despite not hearing formally from OAQPS or Keith on the up-tier for the OIAI rule, they are asking again for the waiver of the AB and now for who should be invited from our office for Options Selection the first week of September. Should we add this to the agenda for tomorrow, or can I go ahead with a response based on previous briefings. Thanks.

Dear Workgroup Members,

It has been a long week preparing for the next round of management briefings, but we have taken a few moments each day to check in on the status of MM2A Draft Preamble to see how the workgroup review was going. We were excited to see your insightful comments and edits on the draft as we are aware of the many years of experience this workgroup brings to this project. We are already working to address your comments as this initial review closes out today. We wanted to share a few updates/reminders as we prepare for next steps.

- We are moving to brief management on specific issues in the rule that require senior management input. We plan to brief our Acting Division Director on Tuesday 8/21 and the OAQPS Director on Thursday, 8/23. (It might take two meetings with Peter to go over the briefing materials.) **Please provide your initial input by NLT noon on Monday, 8/20.** You can find the draft briefing at [https://usepa.sharepoint.com/:w:/r/sites/OAR_Custom/MM2A/Shared%20Documents/Briefing%20Materials/Tsirisigotis Option%20Selection_draft.docx?d=w07a4cc4f0a9e49649089db41bc84f366&csf=1](https://usepa.sharepoint.com/:w:/r/sites/OAR_Custom/MM2A/Shared%20Documents/Briefing%20Materials/Tsirisigotis%20Option%20Selection_draft.docx?d=w07a4cc4f0a9e49649089db41bc84f366&csf=1).
- We need to submit an Option Selection meeting request to brief OAR AA Bill Wehrum. For that meeting invite representatives from OGC, OECA, OP, and the Regional Offices (AA level). We expect this meeting to be scheduled for the first week in September. **Please provide us with the name of the individual who will attend the Option Selection briefing representing your office/organization, NLT Tuesday, 8/21.**
- Finally, please review the email we sent out early this week asking you to concur to waive the preparation of an analytical blueprint for this rule. We provided our justification on why we believe we have met that requirement through other workgroup activities. **We ask that you complete and sign the waiver NLT Friday, 8/24.** You can find the form to concur at https://usepa.sharepoint.com/:f:/r/sites/OAR_Custom/MM2A/Shared%20Documents/ADP%20Milestones%20and%20Forms?csf=1.

We can't thank you enough for your continued support. Please contact us if you have any questions regarding this email.
